

MARKET CONSULTATION BOND MARKET CLASSIFICATION

12 October 2020

Overview of the Bond Market Classification Framework

The Bond Market Classification Framework describes the framework used to classify bond markets according to their respective levels of market development. The framework classifies markets as Developed, Emerging or Frontier.

The current Bond Market Classification Framework is available at: https://www.solactive.com/wp-content/uploads/2020/02/Bond_Market_Classification_Framework_v1.0_17_02_2020.pdf

Proposed Change to the Bond Market Classification

Solactive has decided to conduct a Market Consultation with regard to the reclassification of one country as a result of the annual review of the Bond Market Classification. The change in classification is as follows:

- Saudi Arabia will be included in the local currency emerging bond markets.

Feedback on the Proposed Classification

If you would like to share your thoughts with Solactive, please use this consultation form and provide us with your personal details and those of your organization.
