## Result of Market Consultation | Replacement of the USD 3-M LIBOR in the UBS Market Pioneers Index| 12 April 2022

Today, on 12 April 2022, Solactive announces the results of its market consultation regarding the replacement of the USD 3-M LIBOR in the UBS Markets Pioneers Index

### Result of Market Consultation

Solactive has received no objections to the proposals made in the market consultation.

As such, on the 3d of May 2022, it will switch the currently used rate of USD 3-M LIBOR to **SOFR + a spread adjustment of 0.26161%, in line with its methodology for Solactive administered indices.**
